POWDER COATINGS

ABOUT UMBRELLA POWDER

Quality in every particle,
excellence in every coating.

Umbrella Powder was established in **Istanbul** in **2006** with a vision to deliver high quality powder coating solutions to the world.

From day one, we have been committed to innovation, sustainability and customer satisfaction. Today, we continue to produce a wide range of electrostatic powder coatings that combine advanced technology, environmental responsibility and superior performance for industrial and architectural applications.

2006
ESTABLISHED
IN **ISTANBUL**

QUALITY

We use advanced raw materials and state-of-the-art technology to ensure consistent, premium quality.

SUSTAINABILITY

Our environmentally friendly production processes help build a cleaner, greener future.

INNOVATION

We continuously invest in R&D to develop innovative solutions that meet evolving market needs.

CUSTOMER FOCUS

We build strong relationships through reliable service, technical support and tailored solutions.
